

The IOMC vision is to **shape a sustainable future** through **coordinated global action** to achieve the sound lifecycle management of **chemicals and waste** for healthy lives and the environment.

Chemicals and waste management are **related to achieving every aspect of the 2030 Sustainable Development Agenda**, for the people, planet, and prosperity.

IOMC formed the **SAICM Quick Start Programme Trust Fund Implementation Committee** and between 2006 and 2019:

- Approved **184** projects for funding for **108** countries
- Assisted implementation of **125+ projects** as executing agencies
